Flame Resistant

Lightweight

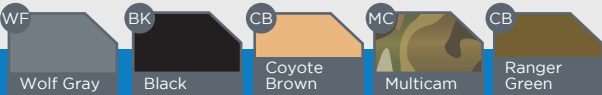

MOLLE
Compatible

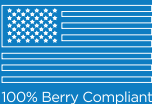

The Double M4 Magazine is the perfect blend of speed and security. This pouch is an immediate-access open-top magazine pouch that uses “pull tabs” instead of sewn webbing used on traditional bungee pouches. Made of military grade elastic and ULTRAcamp™ laminate, the Double M4 Pouch holds two M4 mags. When empty, the pouch lies flat for less bulk. In addition, the MOLLE compatible front can securely hold a single pistol pouch when installed.
