TACTICAL STRIKE™

P-MED-TS-Q (QUART)

P-MED-TS-P (PINT)

ACTICAL STRIKE RTU 100-Step Disinfectants - Ready-to-Use 1240-01-11

***KILLS COVID**

This cleaner/disinfectant is EPA Registered to kill numerous bacteria and viruses to include COVID. Tactical Strike can be used on soft and hard tactical gear, vehicle interiors, upholstery, hard surfaces, K9 equipment, kennels, etc. Importantly, and unlike its competitors, Tactical Strike was formulated with no dyes or perfumes that will stain, discolor or odorize your equipment. Packaged in a Ready To Use (RTU) formulation that requires no mixing or prep, Tactical Strike is currently being offered for sale in pint and quart sizes with trigger sprayers. Just unwrap and use. The pint bottle was specifically selected for it's sizing that allows storage in vehicle cup holders. Larger or smaller volumes and other packaging formats are available via special order.
