The UDC™ (User Determined Connection) Sling is a dedicated single point sling that is both fast and comfortable. The 40mm version comes with a Uloop connection hardware. The Uloop™ brings a level of versatility that is unmatched by any other sling hardware. Code named the “Uber Loop” it is a quick-detach version of our popular Universal Wire Loop, offering even faster and easier installation. The UDC Sling overall length is adjustable, ambidextrous, and compatible with use over body armor.
