

Two point slings are ideal for most situations, there are times - deploying from a vehicle or fighting in complex structures - when a 1 point sling has a clear advantage. The Vickers 221 Sling allows users to switch from two point to one point mode instantly by using the Quick Detach Swivel and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both 1 and 2 point modes.

Weight	177g
Part #	VCAS-2T01-AA-125-ALP
Size	1.25" sling webbing
Features	
Two-Point Sling	Quick Adjuster
Materials	
Invista Solution CORDURA® webbing	TEX 90 bonded nylon thread
