

# MARCO® HR

MARCO-HR-1EA

## MARCO® HR

Designed for speed and simplicity under pressure, the MARCO HR eliminates the fumbling and prep time associated with traditional chemlight bundles. The MARCO HR is a further advancement of BFG's MARCO dispenser line, building on the efficiency of their revolutionary magazine-style marking light dispenser design. The MARCO HR will dispense thirty 2" chemlight sticks with rapid, controlled, single-handed deployment while activating the chemlights in one swift motion.

 **BLUE FORCE GEAR®**  
Always Better™

Constructed from injection molded nylon, the MARCO HR is built to withstand the rigors of professional use while remaining lightweight and compact. The ergonomic dispensing mechanism puts marking capability at your fingertips, allowing users to mark cleared rooms, establish firing lines, or designate target locations with a single fluid motion. The MARCO HR delivers the perfect subdued glow needed for night vision or low light operations without compromising position, giving specialized teams a faster, more reliable solution when seconds matter most.
