

Light Marking

Belt Attachment

MOLLE Attachment

Designed for speed and simplicity under pressure, the MARCO HR eliminates the fumbling and prep time associated with traditional chemlight bundles. The MARCO HR is a further advancement of BFG's MARCO dispenser line, building on the efficiency of their revolutionary magazine-style marking light dispenser design. The MARCO HR will dispense thirty 2" chemlight sticks with rapid, controlled, single-handed deployment while activating the chemlights in one swift motion.
